LEVOIR™
BATH COLLECTION

BRIZO®

Brizo® is a luxury fittings brand for people who understand that fashion isn't just about the clothes they wear—but their entire lifestyle.

We create distinctive designs that don't just complete rooms—they inspire spaces.

LEVOIR™

DARING. DISTINGUISHED. DEBONAIR.

A thrilling intrigue.

The Levoir Bath Collection by Brizo® delivers cunning sophistication at every line of sight. Its sleek curvatures are deceptively understated, beguiling the senses while hinting there is more to be discovered than first meets the eye.

CLOAKED IN
ELEGANCE

*The Brilliance® Luxe Steel™ finish makes its debut with the
Levoir™ Bath Collection. Its cool tones bring to life the interplay
of shadow and light upon each faceted surface.*

TAILORED
LUXURY

*Customize the collection to suit your style—and your space.
With a wide array of configurations, finishes and handle options,
the Levoir™ collection adapts masterfully to its surroundings.*

STUNNING CONTOURS,
IRRESISTIBLE
MYSTIQUE

The refined opulence of the Levoir™ collection commands the room. Chamfered edges reveal the subtle influences of a 1960s aesthetic, while slender proportions and graceful curves pay homage to classic British automotive design.

Exclusive to the Levoir collection,
optional Black Crystal accents
add an alluring glint to select
Lever Handles.

COLLECTION BREADTH

The Levoir™ collection offers a full suite to customize and outfit the entire bath space—including several lavatory and tub filler configurations, custom shower trims and components—along with elegantly coordinated accessories and hardware.
